PROGRAM OVERVIEW

Viterbo's BSN degree completion program is an online or hybrid program that allows students to complete a Bachelor of Science in Nursing degree following the completion of an associate or diploma degree in nursing. This flexible and personalized program is designed for working nurse professionals looking to complete their bachelor's degree within one year, 18 months, or three years.

PROGRAM DELIVERY OPTIONS

- **Online** – All required courses are fully online in a seven-week session with one on-site clinical arranged at a site near you.
- **Hybrid** – Nursing classes meet three times in a seven-week session; 8 a.m.–noon. All other required courses are completed online.

CREDIT FOR PRIOR LEARNING

All associate and/or diploma credits with a grade of C or better transfer. Generally students transfer 70+ credits into this program.
