All classes will meet in their regular classrooms for final examinations during the periods scheduled.

In reading the chart, locate the box that contains the day and time of the first class meeting. This will determine the day and time the final examination is scheduled. The instructor of those classes that extend over several periods must select the time block in which the majority of class time falls. For example, a class that meets from 11:00 a.m.-12:20 p.m. Tuesday and Thursday, must select the 11:00 a.m. block. Exams for evening classes approximate the regular evening class times.

The policy adopted for final examination reads:

"Faculty are expected to adhere to the final examination schedule. If the instructor wishes to use some form of evaluation other than the written examination, the final meeting of the class shall be held during the time scheduled for the final examination."
