Resources Spotlight: Advising, Career Development, and Service

Explore [Advising & Career Development](#) resources!

Starfish Early Alert:

Starfish is a resource that allows students to connect with professors and faculty on and off campus. Students can schedule appointments for ARC resources, academic advising, career development, math/writing assistance, and more through Starfish. You can find it in Moodle.

Handshake

[Handshake](#) is a resource for college students to help find the right job for them, both during and after college.

For those offered a work-study position, those will be posted on Handshake, as well as a job description, and how to apply!

Internships and direct connections to course content can also be found on Handshake. Don't wait to explore!

Looking to volunteer or serve?

Worried about being homesick?

Moving away to college is a big transition. So is starting over somewhere new or exploring a career change. For some, they have been waiting 18 years to move away. Others have dreaded this day.

We want to help make your transition to Viterbo as smooth as possible! If you or a friend are struggling with homesickness or anything else, please let someone know. This could be an RA, a coach, your O-Leader, or our on-campus counselors.

Homesickness is very normal and looks different for everyone. You might be surprised to hear that those around you relate to how you are feeling.

Whether it's day 1 or day 100, we're all here to help you be the best version of yourself.

[Read this article](#) for tips on how to manage homesickness and other mental health strategies to help.

Remember - it's always easier to build your web of support before you hit rock bottom. Get connected early!
