

2025-26 Special Conditions Form

Student Name: _____ Viterbo Student ID Number _____

On a case-by-case basis, a financial aid administrator may use professional judgment to award a Federal Direct Unsubsidized Loan to a dependent student without their parents completing the required sections of the FAFSA. The financial aid administrator must verify that the parent(s) has ended financial support of the student and refuses to file the FAFSA. Please note that financial support includes but is not limited to payment of educational expenses, cash support, and other non-cash support to the student such as housing and/or food.

If the circumstances above apply to your personal situation, and you are interested in borrowing a Federal Direct Unsubsidized Loan for 2025-2026 at the dependent student level, both you and your parent(s) must complete, sign, and return this form to the Viterbo Financial Aid Office. I understand I will not be eligible for need based financial aid including but not limited to institutional aid, the Pell grant, other grants, and subsidized loans.

If your parents are unable to complete their section of this form, please talk with a Viterbo financial aid counselor for additional guidance.

Parent(s) Statement:

- I/We will not provide financial support to the above student now and in the future. I/We have stopped providing all financial support to the student listed above on this form as of _____ . (Please list date financial support ended)
- I/We refuse to complete the parental section of the 2025-2026 FAFSA. I/We confirm that one of the above two statements is true by signing below.
