

Thursday Sessions				
Time	Session type	Location	Moderator	Session Title and Description
8-10 AM	Poster	NRC Lobby	Jesus Jambrina	<b>Spanish Capstone:</b> This session will explore how Spanish language proficiency among professionals and civic servants help expanding health care and transportation services both in the immediate community and at international level as well. Students will share their experiences on using their Spanish skills to improve the daily lives of members of the community for whom English is not their primary language, making the case for a more linguistic inclusion.
